Advantage & Merit

Customers-Friendly Product

The 9 Colors divide by long/short wrist length can be Selected and used by work environment, and personal Preference to meet various customer needs.

Fits Like Second Hands

We developed it for those who wear rubber gloves for a long time. It is comfortable to wear because it's ergonomically designed by studying the shapes of the hands.

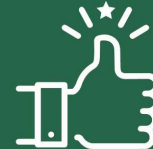

Eco-Friendly

We manufacture gloves using 100% natural Thai Latex, Which is naturally decomposed in sun-light and is harmless to the environment and human body.

Reliable Quality

Numerous tensile strength tests and international certificated prove High-Quality.
